The screenshot displays the EMAS web application interface. On the left, a sidebar menu is visible with the 'Chofer' option highlighted in red. The main content area shows a form for vehicle maintenance details, including fields for 'Costo Revision Técnica', 'Fecha Revision Técnica', and 'Costo Telemetría'. Below the form is a table listing vehicles with columns for Placa, Terminal, TipoCarguero, Telefono, Modelo, Marca, No Programable, and Habilitado. The table contains four rows of data, all for Fujimotors Japan vehicles. A search bar and a 'Buscar' button are located above the table. A help icon (question mark) is present in the bottom right corner of the table area.
